Schedule:

12:00p -1:30p - Objectives 1 & 2

1:30p - 1:45p BREAK

1:45 - 3:00p Objectives 3 – 5

Join me for a refreshing view on a tried and true modality. Together we'll discuss the benefits of solution focused therapy, and work on amplifying your own skills in the solution focused context to breathe new life into your own clinical practice.

Objectives:

1. Conceptualize solution focused interviewing in the context of treating SUDs.
2. Discuss motivation and the cooperative relationship in the contest of solution focused therapy.
3. Identify 3 solution focused clinical skills.
4. How to utilize solution focused homework and follow up tools effectively.
5. How to conclude sessions the solution focused way.

Chelsea Gunther, LPC, AADC, ALPS (she/her) is a proud Licensed Professional Counselor specializing in anxiety disorders and in substance use disorders. Chelsea is the owner of Gunther LPC, LLC, located inside of the esteemed Farhat Medical Clinic in Beckley, WV.

Since beginning her career in 2009, she has refined skills in solution focused therapy, harm reduction, trauma informed care and social justice informed care to the end of individual empowerment, community empowerment, and long-term sustainable change. She has a demonstrated commitment to the profession of counseling, the development of quality professional counselors as well as a commitment to the mental health and SUD treatment professional community as a whole.
